

PrEP Implementation Workshop: Challenges and Solutions in Clinical Practice

This half-day workshop will focus on enhancing access to pre-exposure prophylaxis (PrEP) for high-risk persons to keep them HIV negative – the third point of the New York Governor's Plan to End AIDS.

Participants attending this workshop must have a basic understanding of the NYSDOH PrEP guidance.

Pre-requisite: before attending this workshop please watch this one hour PrEP video – <http://bit.ly/prephour>

Wednesday, June 14, 2017

8:00am – 1:00pm

SUNY Canton – Miller Campus Center
Woodcock Conference Room 212-214
Miller Drive
Canton, NY 13617

Register at <http://bit.ly/PrEPCanton>

This workshop is intended for NYS medical providers including physicians, physician assistants, nurses, nurse practitioners, dentists, and pharmacists. Limited seating is available to non-clinicians who register with a medical provider from their organization as party of a healthcare team.
