

2017 Fall School Nurse Diabetes Training Programs Taking T1D to School

Presented by JDRF and
The Children's Hospital at Montefiore

Tuesday, October 10, 2017 - 4:30 to 6:30pm

Yonkers Public Library - Riverton Library (*note: this is a new location*)

One Larkin Center, Yonkers NY 10701

Please join us to learn all about caring for children with T1D in the school environment and about the newest technologies being used for T1D management.

Space is limited and an RSVP is required by Thursday, October 5, 2017.

To RSVP, email Joan Benz at jbenz@jdrf.org and include your name, school, school district, phone contact and date of training.

If you are RSVPing for others in your school or district please provide their contact information.

About The Division of Pediatric Endocrinology and Diabetes at the Children's Hospital at Montefiore: The Division of Pediatric Endocrinology and Diabetes at The Children's Hospital of Montefiore is one of three in New York City to be approved by the American Diabetes Association. The program - led by Dr. Rubina Heptulla is also ranked as one of the Top 50 in the country in 2012-2013 by U.S. News and World Report.

Presented by JDRF and
CareMount Medical with Dr. Jill Brodsky

Tuesday, October 24, 2017 - 4:30 to 6:30pm

30 Columbia Street, Poughkeepsie, NY 12601

Please join us to learn all about caring for children with T1D in the school environment and about the newest technologies being used for T1D management.

Space is limited and an RSVP is required by Wednesday, October 18, 2017.

To RSVP, email Joan Benz at jbenz@jdrf.org and include your name, school, school district, phone contact and date of training.

If you are RSVPing for others in your school or district please provide their contact information.

Dr. Jill Brodsky is a pediatric endocrinologist with CareMount Medical. After completing her undergraduate degree at Union College, she entered medical school at Albany Medical College. While in medical school, Dr. Brodsky became interested in pursuing a career working with children and their families. She completed her Pediatrics residency at the Yale New Haven Children's Hospital and then pursued fellowship training in Pediatric Endocrinology at The Children's Hospital of Philadelphia.
