Who Doesn't Love Being at Camp? This is an amazing opportunity to experience a wonderful, inspiring time in your life! Join the **Camp Loyaltown** staff and make a difference in the lives of hundreds of children and adults with developmental disabilities. **We offer many opportunities for growth through education and professional development along with free Room & Board plus salary.** Our staff is here to cheer on your accomplishments, walk you through new experiences and spearhead the fun!

To qualify for the Registered Nurse role, you'll need:

- NYS Registered Nurse Licensure
- BS degree preferred.
- Licensure includes CPR training, child abuse and administering medication procedures
- Minimum six months of hospital experience and one year health care experience working with ID population preferred.

To qualify for the LPN role, you'll need:

- NYS licensed practical nurses
- CPR, fire safety training, and medication knowledge is required
- Working with individuals with intellectual and other developmental disabilities is preferred.

The longevity of our workforce speaks for itself; the agency provides a rewarding experience, values your diversity, and invests in your employment goals. *Join Team Citizens!*
